AMERICA.

Boston, July 14.

Wednesday last his Excellency was pleased to sign his Consent to an Act for apportioning and assessing a Tax of twenty-four thousand Pounds in Bills of Credit of the New Tenour and Form, &c.

The same Day his Excellency the Governor was pleased to make the following Speech to the General Assembly, viz.

Gentlemen of the Council, and of the House of Representatives,

AT the Beginning of this Session I mentioned to you the defenceless naked State of our Seaast; and since that I have received an Account of e Vessels hovering about us, to attempt an Illicit Clandestine Trade, and to supply the Spaniards h Provisions, notwithstanding the War his Maty has declar'd against that Crown. One such Vesis already seized and carried into Rhode Island, the great Care and Vigilance of that Government. would now again recommend to you the Dispatch a Bill to be pass'd into a Law, for preventing any h pernicious Trade: And that Provision be also de before this Court rises, for purchasing a suitable ssel for the Protection of our Commerce; and that ill be also prepared against Mutiny and Desertion.

July 9, 1740. J. BELCHER.

And on Friday last his Excellency was pleased to egue the General Court to Wednesday the 20th y of August next.

We hear that an uncommon Accident lately attended of our Whale-men in his Voyage on the Banks: he was going out of the South Channel he met h a Sperma-Cæti Whale, whose Action had like ave prov'd fatal to the poor Men; for being in ir Boat, she cros'd them, and by a small Stroke h her Tail crack'd the Boat; while they were ding the Breach, she return'd and overset them, turning about, with her devouring Jaws crush'd Boat into fifty Pieces, and taking an Oar into her uth, she bit it off as an Ox would a Stalk: The n being in the Water, expos'd to the Fury of this acious Creature, expected every Moment when y should fall a Prey to her gaping Mouth; but o' the Favour of Providence, they receiv'd no er Hurt than having some of their Cloaths rent; ther Boat coming up took them in one by one with h Difficulty, for while they were about it the hale chas'd them, and they had several times like have met with the same Fate as the other Boat; by plying their Oars as fast as possible, they made it to escape.

Extract of a Letter from Capt. John Blomart, Commander of the Ship John, just arrived from Gallipoli at Bristol.

"Off Cape Finisterre I was chased by a Spanish Ship. As soon as we got a clear Ship, we haul'd to him, and when come within Call of him, one of the Italians I have on Board, came on the Quarter-Deck and told me, she was a Privateer, which he belong'd to, out of the Groyne. I hoisted Jack, Ensign, and Pennant, and began to fire at him: He haul'd upon a Wind, and set all the Sail he possibly could to get from us. We chas'd her for three Hours, and kept a constant Firing at her Stern with two of our Waste Guns, which we got on the Fore-castle. He was so very near us that we must have done him great Damage: He never return'd one Gun. He certainly took us for a King's Ship, for, I believe, he was at least 150 Men strong, and 18 Guns. He had French Colours out till he got out of the Reach of our Guns, then he hoisted Spanish; and going so very well got from us; so I bore away, and pursued my Course."

At the last Assizes held for the County of Essex, John Blatch, Esq; Mayor of Colchester, Joseph Duffield and James Boyce, Esqrs. two of the Aldermen and Justices of that Corporation, were try'd upon several Informations, for contriving, with others, to defraud divers Alehouse-keepers of that Town of the Sum of Ten Shillings a-piece, under a Pretence of Licencing them to sell Ale and Beer, upon which they were severally found guilty, and are to receive Judgment thereupon next Term.

Last Week, at a numerous Meeting of the Trustees of Mr. Blundell's School at Exeter, the Rev. Mr. Daddo, lately a Fellow of Baliol College in Oxford, was elected and confirmed Head Master, in the Room of the Rev. Mr. Wesley deceased.

Yesterday was held a Board of Admiralty, when their Lordships were pleas'd to put into Commission the Rupert, a 60 Gun Ship, and gave the Command thereof to Capt. Ambrose.

And he was sworn in and receiv'd his Commission accordingly.

We hear that Richard Aldsworth, Esq; will be chosen without Opposition as Member for the Borough of Reading in Berkshire, in the room of Henry Grey, Esq; lately deceased.

The Beginning of this Week died at his Seat in Essex, Mr. Serjeant Cummyns, a Gentleman very remarkable for his great Knowledge and Practice in the Law.

Yesterday Mr Brittle, one of his Majesty's Messengers, was dispatch'd from the Duke of Newcastle's Office to his Majesty at Hanover.

We hear that Capt. Limeburner, Captain of the Sea-horse, a 20 Gun Ship, chased two Spanish Privateers last Week between Portsmouth and Plymouth, and gave them 200 Shot; but getting to the Windward of him they got clear off.

Last Wednesday a Presentation pass'd the Great Seal of the Rev. James Thompson to the Vicarage of Bishop Middleham in the County and Diocese of Durham.

Also a Presentation of the Rev. Edwyn Sandys, B. L. to the Vicarage of Stoke-Bliss, in the County and Diocese of Hereford.

We hear that a Letter has been sent to Col De Veil by Order of the Magistrates of Daventry, touching the Murder suppos'd to be committed by Bryan Connell upon the Body of a Butcher, who was kill'd and robb'd near Louty-Weeden and proves to be one Richard Brinley, who, by the Words of the said Letter, was most barbarously and inhumanly murder'd. And we are further inform'd, that the Widow, and other Persons concern'd in the Prosecution, will be in Town with all convenient Speed, to prosecute the Law with Effect.

Truly prepared and ſold at the Doctor's late Dwelling-House, now Mr. DUTTON's *in Saliſbury Court, Fleet-ſtreet.*

THIS Medicine reſtrains in a moſt ſurprizing Manner, all internal as well as external Hemorrhages, *i. e.* it infallibly and quickly ſtops all dangerous Bleedings at the Noſe or Gums, ſpitting or vomiting of Blood; alſo the immoderate Flux of the Hemorrhoides or Menſes, bloody Urine or Stools, bleeding of large Wounds, &c. if uſed according to the plain Directions given with it) as will appear by the Certificates of ſeveral Eminent Phyſicians, as in the large Account of this Medicine, written by the Doctor himſelf, and dedicated to the College of Phyſicians a little before his Death.

It keeps good for many Years, at Sea or on Shoar, at Home or Abroad, *i. e.* in all Climates, therefore muſt be univerſally Uſeful.

The Doctor not only obtained his Majeſty's Letters Patent for the ſole Vending of this moſt Excellent Medicine; but alſo a Clauſe in a late Act of Parliament, exempting this Medicine from the Inſpection of the Cenſors of the College of Phyſicians, to which all other Medicines are liable.

N. B. Some of the Apothecaries prepare a Styptick from Preſcription of Helvetius, and uſe it in the Room of Dr. EATON's; but whoever tries both, will ſoon be perſuaded that Our's exceeds their's in all Reſpects, in a moſt eminent Degree.

The only ſhort and infallible Cure

For that reigning Diſeaſe the SCURVY, and all Scorbutick Humours, tho' arrived to the higheſt and moſt inveterate Degree, and of ever ſo many Years ſtanding, and that without any ſenſible Evacuation or the leaſt Purging, which by an unaccountable Miſtake is generally adviſed, although always found rather to increaſe than confirm the Scurvy than cure it.

By the ſo much fam'd and moſt pleaſant Chymical DROPS:

WHICH, without the leaſt Trouble or Confinement, or any Diſorder whatever, do at once attack the true Cauſe of the Scurvy, and entirely deſtroy it, and all Scorbutick Humours and Effects, Root and Branch, ſo as never to return again, as many Thouſands of both Sexes have experienced; and as all who take them in 3 Days time will be convinced; for they almoſt inſtantly alter the morbid State of the Juices, purify the Blood, ſweeten all the Fluids, cleanſe them from Impurities, and directly clear the whole Habit from all Spots, Blotches, Black or blue Marks, Itchings, foul Eruptions, or Breakings out, Weakneſs of the Limbs languid Heavineſs of the whole Body, Wandering Pains, Weakneſs of the Back, and all the vaſt Variety of Symptoms by which the Scurvy imitates and often lies concealed under the Appearance of the Rheumatiſm, and many other Diſtempers.

And for ſtrengthening the Stomach, immediately creating a good Appetite, cauſing a regular and eaſy Digeſtion of Food, and curing all windy Effects and Diſorders of the firſt Paſſages (whereby proceed Head-achs, Vapours and other Indiſpoſitions) no Bitters made other Medicine upon Earth can compare with them, inaſmuch that beſides infallibly curing the Scurvy in all its Shapes and Appearances, they alſo aſſuredly and immediately cure the Green-ſickneſs in Virgins, Worms of all Kinds in young or old, and almoſt all other Chronick Diſeaſes, (which are chiefly occaſioned by Indigeſtion and flatulent Crudities in the Stomach and Bowels) and prevent Fevers, Agues, and other acute Illneſſes.

They are wonderfully Cordial and Reſtorative, ſtrengthen and enliven the whole Machine, and aſſoon as taken, make the Blood pleaſantly Lightſom, Brisk and Vigorous to admiration, and are good for all Sorts of Perſons, to preſerve us well as to reſtore found and healthy State of Body.

But the great Reputation theſe ſomuch fam'd and valuable Chymical Drops have ſo univerſally gain'd among Perſons of Diſtinction for their ſuddenly and infallibly curing the Scurvy and all Scorbutick Humours, and other Chronick Diſeaſes, in ſuch an eaſy and agreeable Manner, have occaſioned many to counterfeit them, both under the ſame, and others under other Names: Be cautious therefore not to be deceiv'd; but be ſure to have the Right, with the Author's ſpecial Appointment, are to be had only at [illegible] dewoman's, at the Two Blue Poſts, in Hayden-Yard, [illegible] Bottles, at 1*s.* 6 *d.* a Bottle, with Directions.
